Cheltenham VIC 3192

# Pago will ensure your payments keep flowing

## 24/7 local support

From our customer success team, 24/7 local phone support and field technicians, your business will have access to our experts when you need them.

## Reliable hardware and connectivity

With 4G dual SIM, Wi-Fi and Ethernet connectivity, Pago will ensure you never miss a payment.

## Simple pricing

Pago's pricing is simple and transparent. We offer low and zero cost\* EFTPOS options which means increased savings for your business.

\*Merchants can achieve zero cost EFTPOS by passing on processing fees to cardholders with automatic surcharges.

## Point of Sale integrated

Pago integrates with a wide variety of Point of Sale providers. See our website for the full list.

## Latest EFTPOS technology

Pago's next generation technology ensures you'll have fast transaction speeds, continuous upgrades and access to the latest innovations.

## Real-time dashboard

Pago's live dashboard allows you to reconcile your payments, view transactions, and identify each terminal's battery life.

# Pago is customisable to suit your business

Easy split bills

Add your logo on-screen

MOTO payments

Optional surcharging

Integrated tipping

Portable

## Reconciliation has never been this easy

Our dashboard allows you to view transactions in real-time and helps you reconcile your payments.

## Access your money fast

Settle to any bank with fast settlements so that you can pay your team, suppliers and more.

## Security to protect your business

With password security settings on the terminal and transaction limits in place, your Pago terminal and transactions are secure.
